Chapter 1/1

Author's Notes:
Written for a prompt of \"ball gags\".

"Had enough yet?"

Glazed eyes said yes even louder than the pretty mouth would have - that was, if it could have spoken. The shape of the object preventing sound echoed the roundness of the dilated pupils, carnal need crowding out all but a sliver of bright blue.

But he managed a nod through the trembling and Billie smiled, fist closing around the neglected erection in a vicious grip that had the sweat-sheened body arching in silent release.

When Tré finally came down Billie removed the ball gag, kissing him gently, and laughed.

"You lasted five minutes longer than Mike did."
